

SCHOOL DELAY/CANCELLATION

Holy Family School follows the West Genesee School District for delays and/or cancellations of school for weather related reasons. Students transported by West Genesee (Kindergarten through Grade 6), as well as all Pre-K students, should follow the length of delay indicated by the media. Channel 9 News will broadcast the school delay/closings. The Principal will also alert parents to delays and/or cancellations via text or email message. Students being driven to school on a delay day should not be dropped off more than 15 minutes before the end of the designated time delay.

DELAY	PRE-K DROP OFF TIME	K-6 DROP OFF TIME
1 HR.	9:15 AM	8:55 AM
2 HR.	10:15 AM	9:55 AM

Students being transported by districts other than West Genesee on delay days should follow the schedule of delays, if any, as indicated by their respective school districts.

Contact your district's transportation office with questions and to confirm their schedule.

Before school care will be open at the regular time unless otherwise announced by the media and/or phone call to those students registered for before school care.
