## *This Week In Chess & Soccer 101*

On behalf of Chess & Soccer 101, I would like to express gratitude for your support and commitment to our program during the past season. We are thrilled to see the progress and achievements of your children in both chess and soccer. As we head into the spring and summer, we have exciting plans for our upcoming camps. We look forward to continuing to work with your children and helping them reach their full potential in both sports. Thank you again for entrusting us with their education and development.
