Formerly ShopWithScrip

***Do you buy groceries? Put gas in your car? Go out to eat?  
Are you taking a vacation this summer or doing some home improvements?  
Does your child need sports equipment for an upcoming sport?  
Perhaps you need some new uniforms?***

***RaiseRight is a fundraising program that helps you earn money towards your tuition while spending money on things you are already buying!***

### **Here's how it works:**

1. Download the RaiseRight app or go on the website (RaiseRight.com)
2. Set up an account with the Holy Family enrollment code. **(This code will be emailed to parents.)**
3. Buy gift cards or e-cards to use when shopping for your everyday purchases.
4. A percentage of every purchase will be given back to you as a rebate.  
That money will then be applied to your child's tuition for 2022-23.

**The app is fast!** I can download an e-card while sitting at a restaurant or waiting in line at Target and it is available to use within a minute or two.

**Want physical gift cards to give as a gift?** You can order those too! Opt to have them shipped to your home for a fee OR order them and ***on the first of each month***, HF places those orders and they are shipped to the school at no additional cost for you.

You might think the rebates look small, but they can definitely add up! I use it for my grocery shopping at Tops, home improvement projects from Home Depot & Lowe's, eating out, traveling, etc. and my rebate last year was around \$700.

**One family earned \$880!** Plus, the merchants often offer bonus rebates as incentives to purchase their cards.

This means that at times, when you purchase a card, you could earn as much as a 20% rebate - which would result in **\$20 towards your tuition for buying a \$100 gift card** to use on something you were already going to buy!

### **Here is just a small sample of vendors:**

Lands End, Red Robin, Starbucks, Dunkin' Donuts, Red Lobster, Barnes & Noble, Dick's Sporting Goods, Panera, Ulta, Best Buy, Visa, Marriot, Disney, Carnival, Delta, and so many more!

I would love to help you set up an account and start earning today.
